## **Someone Else's Child:**

**Someone Else's Child** Debbie Bell,2012-11-27 This is a true account of my life until age 45 Years I have written it in the hope that it will inspire and encourage those who have experienced the effects of being without their biological families being placed with the wrong people and other various experiences which are emotionally draining When faced with difficult situations I felt that I could not give up trying as often I found myself in situations that were not of my own making I am sincerely hoping that this account will show people not to give up too soon because sometimes you end up being given the Greatest Gift of All

**Someone Else's Child** Sue Phillips,2011 On a summer morning in Canberra Sue Phillips gave birth for the fourth time Sue s husband was by her side along with Lily the baby s genetic mother Labor was brief but excruciating and only minutes afterwards Sue wrapped the newborn in a blanket and handed her over to Lily What does it take to carry someone else s child What does it feel like to give her up Motivated by a strong desire to help Sue first approached Lily after hearing about her health problems from a mutual friend Facing a childless future Lily and her husband were ecstatic but Sue s surrogacy commitment was only the first step in a long often difficult journey for both couples Someone Else s Child is the story of Sue s experience as a gestational carrier at the age of thirty nine with a family of her own when surrogacy in Australia is still rare and commercial surrogacy illegal In her own words Sue describes the emotional highs and lows bureaucratic hurdles physical challenges family pressures legal confusion and social scrutiny that followed her decision to become a surrogate Someone Else s Child is a unique personal account of what it means to give the gift of life

*How to Love Someone Else's Child* Vicksay Baby Moten-Richardson,2021-03-11 All I ever wanted was to be a mother At the age of four when someone would ask me what I wanted to be I would say I want God to delay his coming so that I can live to be twenty five years old get married and have children But on that dreadful day in January of 1994 my doctor told me that my chances of becoming a mother were very slim due to several female problems I hung my head in my chest and cried There will always be a hole in my heart and questions in my mind about what my child would have looked like Would he or she be like me talk like me or even stand like me God s will in my life is more important than mine and since then I have learned to trust him with all my heart Along the way I have been blessed to be called mom by some very extraordinary children Along the way I have been blessed to be called mom by some very loving and generous children Along the way I have been blessed to adopt two extremely special children Along the way I have been blessed by these children more than words can express But most of all I have been blessed to have LOVED SOMEONE ELSE S CHILD

young children while setting limits for a safe learning environment Discipline scenarios are also provided as a tool to examine the interactions between children and teachers and offers an opportunity to use the strategies stipulated to correct undesirable disruptive behavior *Van v Zahorik, 460 Mich 320 (1999) ,1999 111254* **The Plays of Terence**
