Sometimes I'm Afraid Michaelene Mundy,2014-08-19 We want our kids to be safe happy and well adjusted But we all know that our children like us have to face a lot of difficult things in their lives And one of them is fear Although adults have learned that one of the best remedies for tackling fears is an abundance of love and care children still need support and guidance In Sometimes I m Afraid A Book about Fear Just for Me author Michaelene Mundy helps young readers understand what it means to be afraid and how to find courage and support in their friends and loved ones Sometimes I'm Afraid Maribeth Boelts,2004 Three different children are helped by caring adults to use prayer to deal with frightful feelings

**Sometimes I'm Scared** Jane Annunziata,Marc A. Nemiroff,2009 Kids can be afraid of lots of things this book outlines easy steps kids can use to overcome their everyday fears Sometimes I'm Afraid Wendy Cuskey,2022-06 Written with the assistance of a mental health professional Sometimes I m Afraid is a book for children who are experiencing fear or are acting out in anger that is rooted in fear If you have a small child who is angry fearful or anxious this book may be just what he or she needs to understand the big feelings and what to do with them During the pandemic many of us unwittingly projected fear onto our children Children are so much more perceptive than most of us believe They can pick up on our emotions by the slightest change in behavior voice tone facial expression and even by the things that we don t do or say As we begin our exit of this very surreal period in history we are finding that our children have come out on the other end with remnants of fear anxiety and an inability to stay focused on the task at hand This book speaks to those feelings not only letting children know that their feelings are validated and that it is okay to feel what they do but that there are ways to control the resulting behaviors and help themselves feel better In this story Sergio finds himself the odd man out when he is the child in preschool who cries the most experiences outbursts and generally separates himself from the other children With the help of a therapist Sergio learns about his feelings and how to help himself feel better no matter where he is Sergio learns about different activities physical and creative that help him release the anger from his body He also learns that breathing exercises can help to calm and focus him This picture book is geared towards preschool and kindergarten aged children but is suitable for all ages with whom the story may resonate INSIDE YOU WILL FIND Everyone is sometimes afraid It s okay to be afraid because we all are sometimes Techniques to help This story is full of ways to help you deal with the big feelings as well as ways to control the resulting behaviors Introduces the concept of a therapist This story removes any possible stigma associated with a therapist and shows how the therapist was helpful to Sergio and not scary at all and You re not alone By discussing fears that a child may be bottling up inside we are letting them know that they are not alone in their fears and it s okay to talk about them I wrote this book with the intent to help children who are struggling with some pretty big feelings I hope it helps your child as much as it has the children who have already been introduced to it Sometimes I'm Afraid Sylvia Root Tester,Frances Hook,1979-01-01 A young child describes some of her fears and how she deals with
