The Celestial Song of Creation Annalee Skarin, 2019-01-13 Here is a record of glory revealing the method of achieving the heights the way to unfold understanding of the Almighty Truths of God If you would awaken your soul to the divine symphony of the Universe follow the way of overcoming the Way Christ trod The record of His Path the eternal inner truths of power and fulfillment are now open the sacred inner knowledge that has lain dormant and in the depths of your being Ludwig Van Beethoven who had become deaf humbly acknowledged that his Symphony No 9 came to him directly from God and that he merely transcribed it What is man s soul It is his true being where God has placed a seed of Himself and this seed contains the perfect answers to one s outside problems and inner questioning It is the source of all inspiration and contains the power of all achievement and happiness The soul is the innermost being of man himself To contact the soul one learns to be still This divine search fulfills man s conquest of himself as he begins to live God s laws As one learns to love God with all his heart all his soul all his mind and all his strength he begins to find the joy and the meaning of existence The search is one that no man can make for another It is a quest which each individual must undertake for himself It is each individual s own responsibility Annalee Skarin
