Song Of Ireland:

Song of Ireland Juilene Osborne-McKnight, 2006-05-02 The Sons of Mil long held the dream of the Island of Destiny close to their hearts A dream perhaps but to these restless adventuring people it was a shining emerald prize to be won by those who were brave or foolhardy enough to sail to the very ends of the known world For the Bard Amergin and his people that dream comes true When they land safely on the shores of this enchanted isle they know that they have won the favor of their gods In joy they begin to build their settlement Soon it is clear that they are not alone in this green and pleasant land their fellow inhabitants are the secretive Danu a people who resonate power and mystery in abundance As Amergin negotiates with the Danu so that both peoples may peacefully share the island s wealth he sees their beauty their wisdom and their love for the land And one more thing Amergin s second sight shows him that the Danu are not human *The Song of Ireland* ,1970 **A Song for Ireland** Mary O'Hara,1987 **The Song Lore of Ireland** Redfern Mason,1911

Narrative Singing in Ireland Hugh Shields,2010 Narrative Singing in Ireland is a definitive account of Irish traditions of singing as a storytelling art Of interest to scholars and general readers this book examines the varied associations of song and story in Ireland and why people sing as they do It ranges from ballads in English through Irish Heroic songs of Fionn mac Cumhaill Deirdre the Big Fool and others sung from earliest times to the present to ballads of European tradition with the lyric songs of Irish Written in a lively and entertaining style it includes chapters on Irish narrative singing in general lays ballads old and new the lyric songs of Irish and their stories singers and songmakers traditional singing and the media and narrative singing today [The Popular Poets and Poetry of Ireland](#) ,1887 **Songs of Ireland** ,1916 **Well Known Songs of Ireland** Irish Industries Depot, Inc,1924 *The Song Lore of Ireland* Redfern Mason,1911 **Six Songs of Ireland** Hamilton Harty,1908 *The Concert Song Companion* Charles Osborne,2012-12-06 W H A T I H A V E attempted in this book is a survey of song the kind of song which one finds variously described as concert art or sometimes even classical song Concert song seems the most useful certainly the least inexact or misleading of some descriptions especially since art song sounds primly off putting and classical song really ought to be used only to refer to songs written during the classical period i e the 18th century Concert song clearly means the kind of songs one hears sung at concerts or recitals Addressing myself to the general music lover who though he possesses no special knowledge of the song literature is never theless interested enough in songs and their singers to attend recitals of Lieder or of songs in various languages I have naturally confined myself to that period of time in which the vast majority of these songs was composed though not necessarily only to those composers whose songs have survived to be remembered in recital programmes today I suppose this to be roughly the three centuries covered by the years 1650 1950 though most of the songs we as audiences know and love were composed in the middle of this period in other words in the 19th century *Stories by English Authors: Ireland: The gridiron, by Samuel Lover.
