State And Local Government And Politics:

Politics and Policies in State and Local Governments Herbert Kaufman,2012-04 Foundations Of Modern Political Science Series *Local Government and the States* David Berman,2019-07-26 This book offers an overview of the legal political and broad intergovernmental environment in which relations between local and state units of government take place the historical roots of the conflict among them and an analysis of contemporary problems concerning local authority local revenues state interventions and takeovers and the restructuring of local governments The author pays special attention to local governmental autonomy and the goals and activities of local officials as they seek to secure resources fend off regulations and interventions and fight for survival as independent units Now in a thoroughly revised second edition this book examines marijuana use minimum wages the establishment of sanctuary cities and the regulation of ride sharing companies Looking at the intergovernmental struggle from the bottom up and in the process examining a variety of political activities and policies at the state level Berman finds considerable reason to be concerned about the viability and future of meaningful local government This book improves our understanding of the relationship between state and local governments It provides a thoughtful look at the past present and possibly the future of local home rule *The State and Local Government Political Dictionary* Jeffrey M. Elliot,Sheikh R. Ali,2007-09-01 An objective comprehensive resource for concise answers to questions about state and local government Complete with A Note on How to Use This Book a detailed Appendix Notes and Index A must have reference guide for students librarians professors and citizens with an interest in our government and how it works **State and Local Government** David Saffell,Harry Basehart,2004-05-05 Since the first edition in 1978 this text has been relied upon as an up to date readable and concise examination of the structure and operation of state and local government in America The new edition looks at ways in which state and local governments are meeting new challenges such as increasing diversity maintaining institutions of representative government as direct democracy becomes more popular and providing citizens with government services during the most severe budget crisis since World War II With its engaging vignettes at the beginning of each chapter and its substantial new and expanded material State and Local Government remains an essential text for the study of sub national politics State and Local Government Ann O'M Bowman,Richard C. Kearney,2007-10 **State and Local Politics** David Berman,1999-09-28 Politics at the state and local level has never been more interesting than in our devolutionary age This popular text is the most concise readable and current introduction to the field Now in its ninth edition the book keeps its focus on the varied and changing political and economic environments in which state and local governments function and their strengths and weaknesses in key areas of public policy The text is enlivened by boxed sections that relate individual experiences or highlight particular issues and developments Topics covered in this edition include the drive toward devolution in the federal system taxation and budgeting the death penalty tort reform and changing approaches to welfare education land use and

waste management **State and Local Government** Ann O'M. Bowman, Richard C. Kearney, 2002-12-17 This brief version of the top selling State and Local Government retains the unique thematic and historical approach of the comprehensive text in 12 chapters compared to 16 The condensed format provides explanations of the structure of state and local government as well as their functions in the current political scene In addition descriptions of public policy issues appear at relevant points throughout the text and are better integrated into discussed topics Coverage of e government and the Internet explores how technology affects state and local government and citizen participation Up to date policy focus addresses important issues facing government at this level and includes topics such as education economic development criminal justice the environment social welfare and healthcare Discussion of the slowed pace of devolution since September 11 is included in Chapter 2 **State and Local Politics** David R. Berman, 1997 Politics at the state and local levels has never been more interesting than in our devolutionary age This popular text is the most concise readable and current introduction to the field Now in its eight edition the book keeps its focus on the political and economic environment in which state and local governments function and their strengths and weaknesses in key areas of public policy Governing States and Localities Kevin B. Smith, Alan Greenblatt, 2021-10-05 From the implications of Donald Trump s presidency on intergovernmental relations to the COVID 19 pandemic s impact on state federal relations the Eighth Edition of Governing States and Localities introduces students to the most recent challenges developments and political changes impacting state and local politics
