**Let's Take Back Our Streets!** Reuben Greenberg, Arthur Gordon, 1990-08-01 In this rousing call to action against crime the chief tells what moves he has made to take back the streets in his adopted city from criminals and what he thinks other law officers can do to accomplish the same Greenberg disputes the contention that law breakers are victims of circumstance they commit crimes by choice he argues and ought to be prosecuted to the full extent of the law He also stresses that the function of punishment is indeed to punish This is a book of tough talk from a police chief who firmly believes that we are all accountable for our actions and urges both police and citizens not to surrender to hopelessness about crime from book description Amazon com

**Street Reclaiming** David Engwicht, 1999 This book is about the cultural and economic significance of street life Ever since ancient Athens and Greece Engwicht argues streets have been a major center of commerce socialization and cultural exchange But the advent of automobiles and suburbanization in the 20th century eroded the richness of American streetlife Streets and sidewalks once filled with people and furniture are now filled with automobiles carrying citizens to those indoor streets malls Using an abundance of drawings that detail urban traffic patterns Engwicht prescribes a series of creative methods for returning vibrancy to the street everything from reducing traffic with more one way routes to making avenues more like living rooms with the addition of rugs television sets and bulletin boards
