## Teen Parenting:

Your Baby's First Year Jeanne Warren Lindsay, 1991 Written for teenage parents who are struggling with their own identities while coping with the responsibilities of parenthood

Serving Teen Parents Ellin Klor, Sarah Nordhausen, 2011-09-12 A comprehensive guide to working with teen parents and their children that provides practical program ideas for successful school and public library program development implementation and evaluation Teen parents and their children represent an underserved high need population in many communities Libraries have the potential to significantly influence the quality of life for teen parent families by providing free access to information and resources developing specific programs and serving as a safe public learning environment

Serving Teen Parents From Literacy to Life Skills helps library staff support teen parents as their children's first teachers positively affecting two generations at once The authors explain how to successfully communicate with this group and build upon their competencies and strengths They offer best practices professional anecdotes and step by step direction on connecting with teen parents collaborating with community partners locating funding options and implementing successful programs This invaluable guide is the most comprehensive resource currently available that directly addresses the needs of librarians serving the teen parent demographic

**Teenage Pregnancy and Parenting**, 1996 *The Massachusetts register*, 1996-05-03

**Parenting beyond the Rules** Connie Albers, 2019-04-02 Parenting teens is one of the most challenging seasons of parenting isn't it While this can be a difficult time of transition for parents and teens there is hope You can parent well and build a stronger relationship even through the teen years After 30 years of parenting five children and 20 years of working with teens Connie Albers has witnessed the negative impact of well intentioned but misguided parenting styles all focused on managing teens rather than guiding them But through learning to focus on the hearts of your teens you can avoid those pitfalls and build relationships that last beyond the transition years as you intentionally learn about connect with and listen to your teens In a world filled with distractions and devices it is possible to guide their hearts and remain the primary influence in their lives In Parenting beyond the Rules you will discover how to raise a teen according to his or her strengths talents and personality type as these things equip teens to manage life Join Connie Albers in discovering practical solutions for every parent trying to raise a responsible godly teenager
