The Gospel of Luke I. The Theology of the Gospel of Luke Joel B. Green, 1995-04-20 The Gospel of Luke often mined for information about the life of Jesus is also one of the earliest Christian examples of narrative theology Unlike some writers of New Testament books Luke has engaged in the theological task by shaping a narrative representation of the coming and mission of Jesus In doing so he goes to great lengths to ground the work of Jesus in the continuing story of God s redemptive plan especially witnessed in the Scriptures and he also emphasises the ongoing character of that story with the result that Luke s audience is challenged to discern the purpose of God in order that they may embrace it and order their lives around it This exploration of the way in which Luke accomplishes his theological task in the first century is both informative and illuminating for contemporary readers seeking approaches to cultural criticism and constructive theology today

The Gospel of Luke E. Earle Ellis, 2003-03-28

The Gospel of Luke Judith M. Lieu, 2012-08-21 This commentary explores how Luke was retelling the story of Jesus in the light of the challenges faced by the early church as it spread through the Roman Empire and shows how the gospel can be preached

today both in faithfulness to the past and as a response to contemporary questions
