*The Homeboy Way* Thomas Vozzo, 2022-02-22 Leading with heart authenticity and purpose Thomas Vozzo provides a clear path to a new bottom line including 55 rules to break bringing the Homeboy Way to life as the perfect anecdote to the massive tidal currents of social injustice and inequities By every traditional measurement of success Vozzo was a clear winner In his world of billion dollar revenues and million dollar profits he knew exactly what shareholders wanted and how to get it for them Then through a series of fateful events Vozzo landed as CEO of Homeboy Industries the most successful gang intervention rehabilitation and re entry program in the country founded by Jesuit priest Greg Boyle I arrived at Homeboy at a time when I needed to learn more about myself and my life s journey Vozzo writes And after 8 years of working with the poor forgotten and demonized people of our society I ve come to learn that I didn t really know as much about life as I thought Vozzo s enlightening journey leads to his recognition that a radical approach is needed in business and in life What Homeboy has taught me is that we need to do business differently We need to bust up the system swim upstream avoid herd mentality Blending personal stories of his day to day with Fr Greg and the Homies along with counterintuitive business ideas that are changing lives for the better Vozzo shows you how you can live lead and shake things up with toughness determination compassion and grit That s the Homeboy Way 100% of author royalties go to support the mission of Homeboy Industries
