Why are some leaders more effective than others Effective leaders follow The Leadership Strategy of Jesus personally and in the organizations they lead In the gospels Jesus demonstrates the key elements necessary to advance His kingdom in life church and work The Leadership Strategy of Jesus shows leaders how to live out these principles and positively impact the world As a seasoned ministry leader Dr Rich Halcombe's The Leadership Strategy of Jesus is designed to help leaders discover their personal purpose in order to better serve their communities Halcombe encourages leaders to establish a clear plan for future growth and invest time and energy into those plans while remaining open to continuous improvement and adjustment The Leadership Strategy of Jesus will increase any leader's effectiveness by identifying the strategies of Jesus and applying them to everyday experiences **Leadership and Politics** Bryan D. Jones, 1989

In twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved The approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead *The Essence of Leadership* Michel Robert, 1991-11-21

Leadership not necessarily a national industrial policy is the key to restoring America's competitiveness in the global economy and the key to leadership is the ability to think not management charisma or personality traits alone Consultant Michel Robert maintains that management must master a set of mental skills critical thinking he calls them and use them to develop a coherent strategy that others in the organization will accept Moreover effective leaders encourage innovative thinking and apply it decisively when problems arise These skills can be acquired by and communicated to all levels of the organization Codifying them and presenting them systematically here for the first time Robert shows how he and his colleagues at Decision Processes International have introduced them to their various client organizations with measurable success Robert advises management to think globally but act locally and to keep in mind that human resources are growing scarcer while the need for quality and innovation is growing greater He defines the three fundamental skills of leadership distinguishes between strategic and innovative thinking and describes how both contribute to sound decision making After illustrating what he means by the leader as strategist innovator decision maker process manager and implementor he shows how these roles are played in and contribute to the creation of learning organizations He offers readers a clear useful method to assess the critical thinking ability of their own organizations then defines the point at which strategy innovation and decisiveness intersect in the total package of management skills Illustrated with charts diagrams and checklists developed for DPI's clients *The Essence of Leadership* will be of particular interest and help to

executives at all levels and in all industries and organizations and to students of management in the academic community
