*Answers to Life's Foundational Questions*, 2014-12-15 From page to page the attentive reader will not escape a stir of one's inner essence regarding the fundamental issues of life He opens the lid to life's essentials inviting thorough considerations to the origin of the universe the potential vested in each human life and the bubble of the evolution theory and so called science This discourse is for those searching for answers and inspiration It will call the frivolous soul to attention and demand duty from its bearers It's a wakeup call to the slothful and a harsh reminder to the proud But it's more than that this book identifies with all who are poised to accomplish their dreams It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes The issues raised demand your thorough attention if you will profit from the wisdom shared They are instructive to the thinking mind This book is a treasure field But it must be mined So while you read heed the urge to purposefully pause reflect and precipitate the cogitations of your mind It will do you eternal good
