chapter in American history This is the story of the lost era between the Babe and Jackie of a crusading journalist named Sam Lacy an immensely talented black ballplayer named Buck Leonard and a stubborn major league owner named Clark Griffith It s the story of why the fight to integrate major league baseball began in Washington and not in Brooklyn why black Washington ultimately lost the fight and why the Senators were not the first team to integrate And it s the story of the greatest baseball dynasty that most people have never heard of the Homestead Grays whose wartime popularity at Griffith Stadium moved them beyond the shadow of the Senators from the Introduction So begins this powerful and passionate account of how the fight to integrate baseball really began Moving seamlessly between the heroic exploits of the ballfield and the exploitation of the boardroom Beyond the Shadow of the Senators reveals all the magic and madness that surrounded the legendary Homestead Grays and their lesser but more recognized stadium mates the Washington Senators Drawing on extensive interviews with key players long lost archives and dozens of dazzling historical photos the author meticulously chronicles the true story behind this forgotten chapter in the annals of baseball painting a portrait of larger than life characters and lazy golden afternoons you ll wish you could remember when the Homestead Grays dominated Griffith Stadium and gave baseball s white superstars a run for their money
