The Offensive A Soviet View:

The Offensive A. A. Sidorenko, 2001-09-01 The Offensive is significant and representative Soviet military writing translated and published under the auspices of the United States Air Force in 1970 Soviet Party military spokesmen stipulate that introduction of nuclear weapons into their armed forces brought about a revolution in military affairs They further state this revolution has caused complete revisions in Soviet military doctrine strategy and tactics The study of history shows that in armed conflict victory over the enemy can best be achieved through offensive actions It is the offensive that assures complete defeat of the enemy and seizure of important objectives and regions This is the view expressed by Colonel A A Sidorenko Doctor of Military Science and faculty member of the Frunze Military Academy in *The Offensive* His work was listed as recommended reading in The Soldier s Bookshelf section of the annual Calendar of a Soldier Colonel Sidorenko is a well known Soviet military spokesman with many credits to his name Colonel Sidorenko provides the student of military affairs with an enhanced understanding of Soviet military thought *The Offensive (a Soviet View)* A. Sidorenko, 1974 **Conventional War and Escalation** Joseph D. Douglass, Amoretta M. Hoeber, 1981 Major topics addressed in this monograph include Soviet interests in conventional capabilities in particular sub unit operations the advantages which might be derived from a conventional phase most of which are oriented toward better achievement of an effective surprise nuclear strike the characteristics of a conventional phase and the factors that bear on the timing of the transition to nuclear operations Preface **Tactics, a Soviet View** Department of Defense, 2019-07-23 **Tactics A Soviet View** Full text English translation 1984 This work on military theory examines the subject of tactics its role in the art of war the material basis of modern combined arms combat its nature and the most important principles for conducting it Principal attention is given to the tactics of offensive meeting and defensive engagements as well as to troop movement The book is intended for officers of the Soviet Army and students at higher military educational institutions It was translated to English by the U S Air Force We decided to reprint this book because it s difficult to find a print copy We also decided to increase the size from 5 1 2 by 9 to 8 1 2 by 11 so the text and illustrations are easier to read Why buy a book you can download for free We print the paperback book so you don t have to First you gotta find a good clean legible copy and make sure it s the latest version not always easy Some documents found on the web are missing some pages or the image quality is so poor they are difficult to read If you find a good copy you could print it using a network printer you share with 100 other people typically its either out of paper or toner If it s just a 10 page document no problem but if it s 250 pages you will need to punch 3 holes in all those pages and put it in a 3 ring binder Takes at least an hour It s much more cost effective to just order the bound paperback from Amazon com This book includes

original commentary which is copyright material Note that government documents are in the public domain We print these paperbacks as a service so you don t have to The books are compact tightly bound paperback full size 8 1 2 by 11 inches with large text and glossy covers 4th Watch Publishing Co is a HUBZONE SDVOSB <https://usgovpub.com> The Soviet View of U.S. Strategic Doctrine Jonathan Samuel Lockwood,1983-01-01 Soviet perceptions of American strategic doctrine have influenced then use of military power in foreign policy An understanding of how those perceptions are being derived at and of their specific contents is therefore essential to any reflection on direction that American defense policy should take Particularly in the field of arms control and disarmament Soviet perceptions carry severe implications for U S proposals as well as general behavior Lockwood bases his examination on Soviet sources such as newspapers periodicals radio broadcasts and books He establishes that Soviet analysts tend to project their own notions of clear strategy onto U S doctrine and intentions Starting from the premise that the Soviets mean what they say Lockwood is able to give a historical account of Soviet perceptions starting from massive retaliation up to and including Presidential Directive 59 In his final chapter the author gives possible policy strategies to successfully counteract the Soviet military policy *Наступление.
