The Onle And Only:

John Colin G. Kruse, 2017-08-01 Among the Gospels John's is unique in both structure and content. Ultimately, faith in Jesus is at the center, with signs highlighted to provoke faith and stories of those who responded to Jesus as examples of faith. In this replacement Tyndale commentary, Colin Kruse ably reveals how the Fourth Gospel weaves its themes of belief and unbelief into its rich Christology.

The Trinity in the Stone-Campbell Movement Kelly D. Carter, 2015-05-10 An assessment of Trinitarian thought in the two hundred year old Stone-Campbell Movement, including suggestions for ways in which the renewal of Trinitarian doctrine can revitalize the church's life and mission. Throughout its history, the Stone-Campbell Movement has noticeably neglected Trinitarian doctrine, prohibiting a biblical understanding of God as Trinity from significantly impacting the movement's churches. This book attempts to rectify this weakness in three ways: First, a focus on the Trinitarian positions of Thomas Campbell, Alexander Campbell, and Barton W. Stone sheds new light on the early shapers of the movement. Second, the book lays out specific ways in which the movement would benefit by a biblically grounded Trinitarianism and the contributions of contemporary Trinitarian theologians. And third, it presents a plan for the advancement of biblical Trinitarian doctrine among Stone-Campbell churches. Significant contributions of this study include the most thorough examination to date of Trinitarian doctrine in Stone-Campbell thought, an original presentation of the historical theology that stands behind the Trinitarian positions of Thomas Campbell, Alexander Campbell, and Barton W. Stone, and a fresh proposal regarding the roots of Barton Stone's quasi-Arianism.

Irenaeus Denis Minns, 2010-06-03 An introduction to the problems of reading Irenaeus of Lyons c. 130-200, known as the first great Catholic theologian.

Beyond the Valley Al Lacy, Joanna Lacy, 2011-07-13 In this seventh installment in the Hannah of Fort Bridger series, twin tragedies set the stage for God's glorious provision. A vicious mountain lion attack leaves beautiful young rancher Carrie Wright a widow. An outlaw on his way to prison escapes the law long enough to shoot Doug McClain's wife, making him the lonely father of a young daughter. Then heroine Hannah Cooper, newly widowed herself, comforts Carrie with the knowledge that while God's servants will tread through the valley of weeping, they will also keep moving toward another mountaintop. When employment opportunities bring Doug and Carrie together, unexpected sparks fly, and finally they can envision a future beyond the valley.

Talking Seriously About God Asle Eikrem, Atle O. Søvik, 2016 Talk about God is often the source of controversy. Theists and atheists are equally passionate when making their stand for or against belief in God. In this book, a wide range of philosophers of religion have come together to discuss how serious talk about God ought to be conducted for theists and atheists alike, in what should be their common pursuit for truth. The essays both address methodological questions and provide a range of concrete samples of serious God talk, spanning from political religion and classical proofs of God's existence to the problem of evil.
