Office Wars James Patton,2017-05-16 Bran was one of the first to purchase a full immersion Virtual Reality Pod that he calls the Coffin but over a century later ironically he finds himself part of the 1% that does not live virtually He sleeps in a real bed and eats real food and only jumps into Neuroma to work All he wanted was to log in work and log out and live in general obscurity Getting the attention of a CEO meeting a stranger in real life and forced to play in a secret game of corporations were not penciled into his calendar While that was bad he started to question whether Odditek was still in control or had their complacency created the noose tightening around their neck Bran was not yet aware of the choice before him He could no longer stand back and watch and he had to pick a side and fight before he lost the ability to choose Would he recognize the inevitable in time Was it possible to make a correct choice or had the lines blurred so much that hero and villain were indistinguishable This novel is part of an Odditek series and is a LitRPG novel I realize it s the first Odditek series but more are coming This series started as a companion series to a book called *Lantern Online* I wanted a way to build up the world as it now exists and to explain what Odditek is Neuroma and Nerves are mentioned in *Lantern Online* and I felt all that information was taking away from my story and is mostly not relevant but good to know information I took a lot of it out and added it to this series Anyway out of that came *Office Wars* I hope it s different than most LitRPG you will read and brings another dimension to the genre Explicit language I will not lie there is a satirical nature to this story and a

lot of the language and scenarios are morally questionable on purpose In this story and I use a lot of curse words and controversial commentary Just look on Facebook or any half a dozen social media sites and you will see similar language conversations and other nonsense If we all moved into a digital world this is how I view that world
