A dramatic, low-key photograph of a soldier in full combat gear, including a helmet and a camouflage uniform. The soldier is positioned in the center, looking down intently at a small, glowing object held in his hands. The background is a vast cemetery at night, with rows of white headstones stretching into the distance under a dark sky. The lighting is moody, with a strong light source from the left creating a lens flare effect and highlighting the soldier's face and the object he holds.
