**Song of Angels** Michelle Loring,2016-01-20 The first three books in the Angel's Voice Series Resounding Echo Silent Sound Quiet Whisper Resounding Echo The battlefield of angels and demons is no place for a mortal Selissa has no memories from before the priests at the temple of Issara found her battered and bruised outside their gates years ago All she has from her past life is a strange symbol on her back and frightening confusing dreams Her new life is thrown into disarray when the mysterious traveler Alassane arrives at the temple With him follows the horrors her lost memories have been hiding Selissa suddenly finds herself fighting for her life and comes to realize that no one is what they pretend to be Silent Sound Life is much simpler when myths are merely fairy tales Selissa hardly thought her life could get any weirder but the gods appeared to have developed a sadistic fondness for proving her wrong A request for her help with solving a series of mysterious attacks at a temple seemed fairly simple But everything suddenly becomes far more complicated once Selissa is told who she needs to protect from the unknown assailant Because the target just happens to be the son of the archangel Arnath Quiet Whisper The victims will be many as long as war is part of human nature A chance meeting with someone from her past causes Selissa to once again find herself in the middle of someone else's fight This time her unusual task involves neither angels nor demons but leads her into the heart of Verdohna where a war is raging between the military and the Rebellion And while she is far from home Selissa is offered new allies The only thing she has to do is to rescue a man from the executioner's axe Right in the middle of the most heavily guarded stronghold in Verdohna **Omer** Karyn
