Sometimes the Fearless James Ankrom,2003-08 *Fear of the Dark* Walter Mosley,2006-09-19 Fearless Jones and Paris Minton stars of the bestsellers Fearless Jones and Fear Itself return in a high velocity larger than life thriller about family betrayal and revenge I m in trouble Paris Paris Minton has heard these words before They mean only one thing that his neck is on the line too So when they are uttered by his lowlife cousin Ulysses S Grant Paris keeps the door firmly closed With family like Ulysses useless to everyone except his mother who needs enemies But trouble always finds an open window and when Useless Ulysses mother Three Hearts shows up from Louisiana to look for her son Paris has no choice but to track down his wayward cousin Finding a con artist like Useless is easier said than done But with the aid of his ear to the ground friend Fearless Jones Paris gets a hint that Useless may have expanded his range of enterprise to include blackmail Now he has disappeared and Paris s mission is to discover whether he is hiding from his vengeful victims or already dead Traversing the complicated landscape of 1950s Los Angeles where a wrong look can get a black man killed Paris and Fearless find desperate women secret lives and more than one dead body along the way Fear of the Dark is filled with the sheer nerve plotting and brilliant characterizations that prompted The Nation to credit Walter Mosley for the finest detective oeuvre in American literature [The Making of a Girl](#) Eva Lovett,1902 **The World's Fearlessness Teachings** R. Michael Fisher,2010 The World s Fearlessness Teachings addresses the human fear problem in a truly unique and insightful way summarizing the teachings on fearlessness from around the world and throughout history The author then utilizes critical integral theory a la Wilber as an approach to categorize the developmental and evolutionary spectrum of fear management systems known thus far The author has spent twenty years researching the timely topic of fear and how to best manage and transform it From this experience he offers an educational healing vision to address the challenges of a dangerous 21st century Fear s empire has taken rule It is time to resist it using the best intelligence from both sacred and secular traditions as well as the transformational theories humanity has to offer Fisher maps out ten fear management systems that will benefit future positive leaders everywhere **Field and Stream** ,1930 [Masking Terror](#) Alex Argenti-Pillen,2013-07-17 In Sri Lanka staggering numbers of young men were killed fighting in the armed forces against Tamil separatists The war became one of attrition year after year waves of young foot soldiers were sent to almost certain death in a war so bloody that the very names of the most famous battle scenes still fill people with horror Alex Argenti Pillen describes the social fabric of a rural community that has become a breeding ground and reservoir of soldiers for the Sri Lankan nation state arguing that this reservoir has been created on the basis of a culture of poverty and terror Focusing on the involvement of the pseudonymous village of Udahenagama in the atrocities of the civil war of the late 1980s and the interethnic war against the Tamil guerrillas Masking Terror describes the response of women in the rural slums of southern Sri Lanka to the further spread of violence To reconstruct the violent backgrounds of these soldiers she presents the stories of their mothers sisters wives and

grandmothers providing a perspective on the conflict between Sinhalese and Tamil populations not found elsewhere In addition to interpreting the impact of high levels of violence on a small community Argenti Pillen questions the effects of trauma counseling services brought by the international humanitarian community into war torn non Western cultural contexts Her study shows how Euro American methods for dealing with traumatized survivors poses a threat to the culture specific methods local women use to contain violence Masking Terror provides a sobering introduction to the difficulties and methodological problems field researchers social scientists human rights activists and mental health workers face in working with victims and perpetrators of ethnic and political violence and large scale civil war The narratives of the women from Udahenagama provide necessary insight into how survivors of wartime atrocities reconstruct their communicative worlds and disrupt the cycle of violence in ways that may be foreign to Euro American professionals
