Namjil,Wang Ruli,2023-08-28 Lending support to the search for the roots of the Altaic language family and pushing forward the field of Altaic mythologies and related topics this comprehensive study of the early beliefs of China s Altaic peoples is the first thorough systematic academic treatment in this as yet underdeveloped research field While discussing nine types of Altaic mythologies A Comparative Study of Altaic Mythologies in China uses primary sources in several languages to explore Altaic myths origins development over centuries lineage relationships and external influences For this purpose it compares the mythologies of various ethnic groups within the Altaic language family Altaic

mythologies with those of other cross language and cross cultural ethnic groups having direct indirect or even no cultural exchanges with them in history as well as Altaic mythologies with folklore religion and other interdisciplinary domains of Altaic Studies by applying the theories and methods of comparative literature studies comparative folklore studies and comparative mythology to a vast collection of mythological materials As wide ranging as it is deeply researched this serious exploration of Altaic Studies breaks the boundaries of the previously closed research model expands theoretical horizons broadens the research scope introduces a new mechanism for understanding myths and co cultures of the Altaic language family and offers insight toward the reconstruction of Proto Altaic Mythology *Stealing fire* ,1988 **SUMMARY -**

Stealing Fire: How Silicon Valley, The Navy SEALs, And Maverick Scientists Are Revolutionizing The Way We Live And Work By Steven Kotler And Jamie Wheal Shortcut Edition,2021-06-18 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes As you read this summary you will discover how to explore altered states of consciousness to improve your life You will also learn how to achieve altered states of consciousness what these states are for why it is in the interest of the elite to keep them secret how often to use them how to protect yourself from possible mistakes Don t think that there is nothing more to discover about man s abilities he possesses faculties that are just waiting to be explored Thanks to the democratization of meditation certain drugs or extreme sports you can today access more easily to states of consciousness that you have never experienced before the modified states of consciousness Thus the generalized access to information is gradually putting an end to the omerta that the elites have long maintained on the subject Learning about modified states of consciousness no longer requires years of training that requires you to live in seclusion or to respect obscure dogmas Everyone can now experiment explore and deepen their hidden powers Thanks to Stealing Fire you will soon be able to unleash the full potential of your mind and it will change your life Will you be able to act like Prometheus and steal fire from the gods Buy now the summary of this book for the modest price of a cup of coffee **The Unseen Internet** Shira Chess,2026-02-10 How the intersection of magical thinking and technological innovation helped to form digital culture both past and present Our contemporary digital landscape often reflects a strange logic Elon Musk believes there s a one in a billion chance that we are not living in a computer simulation People argue about culturally collective false memories popularly known as Mandela Effects And various factions engaged in a magic meme war leading up to the 2016 election In The Unseen Internet Shira Chess explores the tensions between the occult and digital spaces in the twenty first century These practices have resulted in distinct kinds of otherworldly discourse that affects the broader popular perceptions of reality in the twenty first century within and beyond the internet Behind the glossy sheen of slick social media influencers and corporate oligopolies the internet is built in part on a foundation of magical thinking The word magic here is not entirely metaphorical although the metaphor is not irrelevant Historically the emergence of the internet was concurrent with technopaganism which blended digital technologies with the occult in ways that are both seen

and unseen by the casual user While technopaganism is not the only lens with which to understand the emergence of the internet it is an understudied one that reaches toward contemporary anxieties about the ineffability of our tech

Fifth World Medicine Dr. John C. Hughes,2022-05-25 What begins as a hunger for authentic medicine in a young medical student evolves into a quest for an entirely new world a Fifth World where the line between what is material and spiritual has been dissolved In Fifth World Medicine you will explore the lands myths and prophecies of the Hopi People chase after coyotes in the deserts of Arizona enter a sweat lodge with a shamanic healer in the far North Country of Canada embrace the power of silence and the medicine of enlightenment go on a vision quest in the depths of the Grand Canyon and find your roots in the sacred temple of the human body and the soil of Mother Earth Fifth World Medicine dares to challenge Westerners and anyone who dwells in the Fourth World a techno industrial world where dualistic thinking and linear scientific methodologies assert their hegemony leading to disease in Mother Earth and her inhabitants Fifth World Medicine provides an exit path for those who hunger for something more than the Fourth World Fifth World Medicine satisfies humanity s deep collective hunger for lasting health as it integrates one s spirit mind body and Earth If you feel this hunger follow the wolf on this journey to the Fifth World a journey guaranteed to test your worldview and entire understanding of what is true
