

# Take Time To Make Time Count

**Harper Collins Publishers**

## **Take Time To Make Time Count:**

**Foreign Accent Syndromes** Jack Ryalls, Nick Miller, 2014-08-13 What does it feel like to wake up one day speaking with a foreign accent from a country one has never visited Why does someone wake up doing this This book seeks to portray the broad and diverse experiences of individuals with a rare neurological speech disorder called Foreign Accent Syndrome FAS Through a combination of personal testimony and scientific commentary the book aims to shed unprecedented light on the understanding of FAS by elucidating the complex links between how the brain produces speech how listeners perceive speech and the role that accent plays in our perception of self and others The first part of the book provides a comprehensive introduction to FAS and covers a number of key subject areas including The definition and phenomenology of FAS A history of research on FAS The causes and psychosocial consequences of FAS A guide to further reading and a glossary of specialized terms The chapters in part two provide a unique insight into the condition through personal testimony and accounts from family members This collection of 28 testimonies from across the world underlines the importance of listening carefully to patients explain their cases and in their own words The final section contains a questionnaire for use by clinicians to support case history taking The authors are two leading global experts on FAS and this is the first volume of its kind to provide such a broad and comprehensive examination of this rare and poorly understood condition It will be of great interest to practising clinicians in neurology psychiatry psychology and speech and language therapy pathology as well as students in health disciplines relevant to neurorehabilitation linguists and also to families and caregivers *Arise and Shine* Frank C. Saliki, 2017-08-24 A high school failure who dared to dream of a better tomorrow **High Ten** Martin Rooney, 2021-06-14 Harness the power of Martin Rooney s acclaimed Culture Coach philosophy to build the culture of your dreams Building a great team culture doesn t happen overnight Culture is hard to create and even harder to change Great culture is a key component for success at home on the sports field and at the workplace In a time when people seem to be more divided than ever leaders who can build strong and lasting cultures are essential No one knows this better than internationally renowned coach in demand speaker and bestselling author Martin Rooney dedicating his life to coach elite athletes Fortune 500 executives military leaders and every kind of team imaginable to their highest level of performance In *High Ten An Inspiring Story About Building Great Team Culture* Martin draws from his extensive experience developing top level teams around the world to help leaders of all kinds foster and sustain winning cultures This engaging easy to read parable shows you that every business sports team and family has a culture Whether you deliberately created it or not it s always there and it didn t come with a manual That s where *High Ten* comes in This must have book is your personal leadership manual Stop spending your day unhappy or complaining about a dream that hasn t come true *High Ten* will help you Create an environment where your people work towards common goals with friends they trust have fun doing it Develop clarity about the culture you want and put the processes in place to make it happen Ensure your culture reflects core values and aligns with your organization s

mission and vision Transform your culture into the immune system for your team or business Learn about the 3 Cornerstones of Culture and eliminate the 5 Culture Killers High Ten An Inspiring Story About Building Great Team Culture is an invaluable resource for all coaches and leaders striving to achieve the highest level of culture one where everyone feels like a valuable part of the team and consistently produces exceptional results [The Effects of the 1986 Federal Budget on Agriculture and Rural America](#) United States. Congress. House. Committee on the Budget,1985 **Collins Cobuild Advanced Dictionary of English** Harper Collins Publishers,2016-02-17 This dictionary of American English is designed to help learners write and speak accurate and up to date English Ideal for upper intermediate and advanced learners of English Based on the Collins 4.5 billion word database the Collins Corpus Up to date coverage of today's English with all words and phrases explained in full sentences Authentic examples from the Collins Corpus show how English is really used Extensive help with grammar including plural forms and verb inflections Fully illustrated Word Web and Picture Dictionary boxes provide additional information on vocabulary and key concepts Vocabulary building features encourage students to improve their accuracy and fluency Word Partnership notes highlight important collocations Thesaurus entries offer synonyms and antonyms for common words Usage notes explain different meanings and uses of the word Supplements on Grammar Writing Speaking Words That Frequently Appear on TOEFL and TOEIC Text Messaging and Emoticons [Two Strangers - One Soul](#) Bob Norton,2011-12-09 The book recounts the awakening and journey of the Narrator who seeks to make sense of the questions and enigmas which perplex us and cause more and more anxieties The Narrator comes across a chance acquaintance Compelled by what he hears he embarks on discussions which make up the fears hopes and aspirations of us all These conversations are interspersed with dream sequences with another Stranger The dreams often reinforce a conversation with an alternative perspective Each conversation chapter focuses on a value which is central to human living some of which we all get wrong most of the time These values are crucial to rebuilding human life post 2012 There is a mounting sense of new discovery as one Stranger Jonathan peels back the inner layers of the Narrator's hidden self to reveal the greatest adventure of all In the future we shall live according to renewed values not based on greed power and destruction but based on love understanding and co-existence The diverse aspects of these three values form the storyline and subject matter of this book **Be a Good Man, Not a Nice Guy** Kelvin Davis,2026-01-06 Being nice is not the same as being good and it's costing men their confidence relationships and purpose In Be a Good Man Not a Nice Guy author speaker and modern masculinity advocate Kelvin Davis challenges the outdated idea that men have to be passive agreeable and approval seeking to be accepted especially in love and life This book is a wake up call for men who are tired of being overlooked misunderstood or emotionally disconnected because they've been told to play it safe Through honest storytelling cultural insight and actionable tools Davis guides readers through the transformation from a nice guy who performs to be liked into a good man who leads with truth character and emotional strength This is not a book about being macho or

dominant it s about being real grounded and responsible Whether you re navigating relationships fatherhood or personal growth this book helps you reconnect with your core values and redefine what it means to be a man in today s world Who It s For Men who feel stuck in relationships where they can t be fully themselves Readers seeking emotional maturity and purpose driven masculinity Women wanting to understand the inner world of the nice guy Coaches therapists and educators guiding men through personal growth You ll Learn Why being nice is often a mask for fear and insecurity How to set boundaries without guilt What healthy masculinity actually looks like How to stop people pleasing and start self leading The habits of emotionally intelligent grounded men

The Synonym Finder J. I. Rodale,2016-04-22 Originally published in 1961 by the founder of Rodale Inc The Synonym Finder continues to be a practical reference tool for every home and office This thesaurus contains more than 1 million synonyms arranged alphabetically with separate subdivisions for the different parts of speech and meanings of the same word

**Automobile Trimmer and Painter** ,1929 **Reasonable Children** Michael S. Pritchard,1996 The public outcry for a return to moral education in our schools has raised more dust than it s dispelled Building upon his provocative ideas in *On Becoming Responsible* Michael Pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness Pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills Reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community In such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves Advocating approaches to moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind abstractions He makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility He also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state Pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers The result is a rich and insightful work that provides real hope for the future of our children and their moral education
