Taking Back The Dream:

Dreams, Goals and Adventure Michael Ditton,2015-10-19 From broke to retired in ten years Returning home from Desert Storm I found myself mentally and financially bankrupt Newly divorced I had no job no help and no hope My reasons to live were gone At the lowest point in my life I fell back on simple truths from my childhood hard work gets results and its okay to dream And dream I did setting goals that launched me from poverty to a life I could not have imagined And you can do it too Dreams Goals and Adventure will inspire you to dream big work toward your goals and live your life as an adventure every day Dont be afraid to dream Dont accept no as an answer Remove cant from your vocabulary Small goals are stepping stones to much larger goals Learn how to spring forward from failure Know you will have to adjust Live life as an adventure Michael Ditton is an entrepreneur personal development coach and student of life In addition to helping others realize their dreams he can be found sailing or traveling in search of new adventures When met by unexpected challenges embrace them wholeheartedly as opportunities for adventure and education I developed www.goalsettingbasics.com to help others interested in learning how to set goals In my twenties I had to gather these valuable bits of information a piece at a time This site offers you an array of information tools and resources to help you in identifying setting and accomplishing your goals whatever they might be In these tools are free worksheets and examples to help you succeed You will find Goal Setting Basics is your single source for all of your goal setting needs
