Falsework Concrete Formwork and Practical Earth Shoring describes how to build bridges The book is interesting to engineers trying to learn how to build bridges and the relevant message is that the information within will present economical methods of performing the work necessary to build a bridge The author does not believe there is another text that covers this topic and it answers the questions that arise when designing bridge falsework and associated work The author hopes the reader will be able to design economical falsework and earth shoring after reading this book *Bluegrass* William Van Meter,2009-01-06 By the lights of absolutely everyone who ever knew her Katie Autry never harmed a hair on a dog s head She came from a tiny village in Kentucky The State moved her as a child into a foster home in a town so small it had one stoplight New to her own beauty and a little awkward Katie had the biggest smile on her high school cheerleading squad In September 2002 she matriculated as a freshman at Western Kentucky University in Bowling Green She majored in the dental program but as it was for many college students her age partying was of equal priority She worked days at the smoothie shop nights at the local strip club and fell in love with a football player who wouldn t date her Five feet two in heels and without a bad word to say about anyone Katie Autry was sweet kind and utterly naive She was making the clumsy strides of a newborn colt discovering what the world was like and learning to be her own person And on the morning of May 4 2003 Katie Autry was raped stabbed sprayed with hairspray and set on fire in her own dormitory room In telling the true story of this shocking crime Bluegrass describes the devastation of not one but three families Two young men whose lives seem preordained to intertwine are jailed for the crime DNA evidence places Stephen Soules an unemployed mixed race high school dropout at the scene and Lucas Goodrum a twenty one year old pot dealer with an ex wife a girlfriend still in high school and an inauspicious history of domestic abuse is held by an ever changing confession The friends of the suspects and the foster and birth families of the victim form complex and warring social nets that are cast across town And a small southern community populated by eccentrics of every socioeconomic class from dirt poor to millionaire responds to the horror Like *Midnight in the Garden of Good and Evil* this tale is redolent with atmosphere dark tension and lush landscapes With the keen eye of a talented young journalist returning to his southern roots Van Meter paints a vivid portrait of the town the characters who fill it and the simmering class conflicts that made an injustice like this not only possible but inevitable
