Taxi Driver

Charles Vidich

Taxi Driver:

The Haunted Taxi Driver Kofi Sekyi,1991 One of a series of readers for African students which aims to help them to develop an awareness and a love of language and consists of stories from all over Africa In this story taxi driver Baba Oko hopes to make a lot of money on graduation night and has a few drinks to help him drive faster **Taxi Driver** Amy Taubin,2019-07-25 Paul Schrader was in meltdown in 1972 Drinking heavily living in his car he was hospitalised with a gastric ulcer There he read about Arthur Bremer s attempt to assassinate Alabama Governor George Wallace the story was the germ of his screenplay for Taxi Driver 1976 Executives at Columbia hated the script but when Martin Scorsese and Robert De Niro who were flying high after the triumphs of Mean Streets 1973 and The Godfather Part II 1974 signed up Taxi Driver became too good a package to refuse Scorsese transformed the script into what is now considered one of the two or three definitive films of the 1970s De Niro is mesmerising as Travis Bickle pent up bigoted steadily slipping into psychosis the personification of American masculinity post Vietnam Cybill Shepherd and Jodie Foster give fine support and Scorsese brought in Bernard Herrmann the greatest of film composers to write what turned out to be his last score Crucially Scorsese rooted Taxi Driver in its New York locations tuning the film s violence into the hard reality of the city Technically thrilling though it is Taxi Driver is profoundly disturbing finding as Amy Taubin shows racism misogyny and gun fetishism at the heart of American culture In her foreword to this special edition published to celebrate the 20th anniversary of the BFI Film Classics series Amy Taubin considers Taxi Driver anew in the context of contemporary politics of race and masculinity in the US and draws on an exclusive interview with Robert De Niro about his memories of making the film Taxi Driver—The Ill Fated Lad Mr. Donny Churchill,2017-04-05 This book is a real life story about the beauty of life when you have a wonderful income which ultimately gave me a glamorous lifestyle I had a lavished apartment on the Upper East Side of Manhattan where I was always entertaining my friends and their friends Sometimes my friends and I would use limousine just for the night out At the end of my company contract and after about another six months without income I sold my condominium at a reasonable price and relocated to Jersey City in New Jersey I lived in a spacious apartment for another five months without income then I decided to drive a yellow cab I went to TLC for my hack license to enable me to drive a taxi I registered with a taxi company in Brooklyn and I became a taxi driver Driving the taxi and continuing my job hunting at the same time was daunting With too many summonses from police officers and TLC inspectors within a period of about four years taxi driving my license was revoked No more taxi driving no more income And my life became too miserable New York Cab Driver and His Fare Charles Vidich,2017-09-29 Using information derived from research and interviews with cab drivers Vidich has written a basic work on New York City cab drivers hacks that also provides passengers fares with a survival manual Cab drivers are quoted by newspaper columnists politicians and at dinner parties yet a hard look at the profession and its role in the transportation system of the city has been completely lacking Vidich brings out in clear language the conflicts between

the cab driver's position as a dispenser of a public service and his needs as a working person subjected to violence and pressure. It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition. At the same time, this book provides insight into the history and sociology of an important urban institution. It is a book about cab drivers everywhere and cab drivers and fares in all cities have a new handbook in this volume. **Taxi Driver** Paul Schrader, 1974

Taxi Driver, 1999 **Taxi!** Graham Russell Gao Hodges, 2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy 2007 Noteworthy Book in Industrial Relations and Labor Economics Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City's history and people, Graham Russell Gao Hodges's *Taxi* is a remarkable evocation of the forgotten history of the taxi driver. This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream. From labor unrest and racial strife to ruthless competition and political machinations, Hodges recounts this history through contemporary news accounts, Hollywood films, and the words of the cabbies themselves. A new preface recalls the author's five years of hacking in New York City in the early 1970s, and a new concluding chapter explores the rise of app-based ridesharing services with the arrival of companies like Uber and Lyft. Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy, Hodges argues that the explosion of for-hire vehicles in Manhattan reversed decades of environmental anti-congestion efforts. He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies. Whether or not you've ever hailed a cab on Broadway, *Taxi* provides a fascinating perspective on New York's most colorful emissaries.

Workers and Change in China Manfred Elfstrom, 2021-01-21 Rising labour unrest is changing Chinese governance from below. Elfstrom shows that this is occurring in unexpected and contradictory ways.

Confessions of a New York Taxi Driver (The Confessions Series) Eugene Salomon, 2013-01-31 Driving a cab for more than 30 years, Gene Salomon has collected a remarkable selection of stories. He shares the very best in this unforgettable memoir. *Last taxi driver* Lee Durkee, 2021

Beyond Method Scott Balcerzak, 2018-06-25 Explores the methodologies and influence of acting teacher Stella Adler on her male students. Stella Adler, 1901-92, trained many well-known American actors, yet throughout much of her career, her influence was overshadowed by Lee Strasberg, director of the Actors Studio. In *Beyond Method: Stella Adler and the Male Actor*, Scott Balcerzak focuses on Adler's teachings and how she challenged Strasberg's psychological focus on the actor's self by promoting an empathetic and socially engaged approach to performance. Employing archived studio transcripts and recordings, Balcerzak examines Adler's lessons in technique, characterization, and script analysis as they reflect the background of the teacher, illustrating her time studying with Constantin Stanislavski, her Yiddish Theatre upbringing, and her encyclopedic knowledge of drama. Through this lens, *Beyond Method* resituates the performances of some of her famous male students through an expansive understanding of the discourses of acting. The book begins by providing an overview of the

gender and racial classifications associated with the male Method actor and discussing white maleness in the mid twentieth century The first chapter explores the popular press s promotion of Method stars during the 1950s as an extension of Strasberg s rise in celebrity At the same time Adler s methodology was defining actor performance as a form of social engagement rather than just personal expression welcoming an analysis of onscreen masculinity as culturally fluid The chapters that follow serve as case studies of some of Adler s most famous students in notable roles Marlon Brando in *A Streetcar Named Desire* 1951 and *The Missouri Breaks* 1976 Robert De Niro in *Taxi Driver* 1976 Henry Winkler in *Happy Days* 1974-84 and Mark Ruffalo in *The Avengers: Age of Ultron* 2015 Balcerzak concludes that the presence of Adler altered the trajectory of onscreen maleness through a promotion of a relatively complex view of gender identity not found in other classrooms Beyond Method considers Stella Adler as not only an effective teacher of acting but also an engaging and original thinker providing us a new way to consider performances of maleness on the screen Film and theater scholars as well as those interested in gender studies are sure to benefit from this thorough study

[Taxi Driver Wisdom](#) Risa Mickenberg, 2016-07-19 Insights on love pleasure fate and other topics collected from conversations with New York City cabbies AM New York The worse a town s economy is the better looking the guys who work at the local gas station are I see more of what is going on around me because I am not concerned with finding a parking place There is no chivalry For that you have to go upstate Real taxi drivers know more than how to get you there without a GPS often they know how to get you there in life This twentieth anniversary edition of the wise and hilarious classic as true now as ever is a celebration of the witty philosophical perspective on human nature culled from real quotations from real cab drivers who ve been around the block

The Taxi Driver's Daughter Julia Darling, 2003 The touching and wonderfully engaging second novel from the author of *CROCODILE SOUP* It is late December and fifteen year old Caris is trying to hang an angel on a Christmas tree in a terraced street in Newcastle upon Tyne She is interrupted by the arrival of the police who have come to the house to announce that her mother Louise has been caught stealing shoes in a department store in town Caris s father Mac a taxi driver struggles to keep the family together as Christmas looks set for disaster especially when Louise s drunken dishevelled mother moves in

Mean Streets Peter McSherry, 2002-09 Peter McSherry recounts tales of his 30 years of driving cabs on the hard bitten streets of Toronto

The Bookman, 1924

Streetwise Diego Gambetta, Heather Hamill, 2005-06-30 A taxi driver s life is dangerous work Picking up a bad customer can leave the driver in a vulnerable position and erring even once can prove fatal To protect themselves taxi drivers must quickly and accurately assess the trustworthiness of complete strangers In *Streetwise* Diego Gambetta and Heather Hamill take this predicament as a prototypical example of many trust decisions where people must act on limited information and judge another person s trustworthiness based on signs that may or may not be honest indicators of that person s character or intent Gambetta and Hamill analyze the behavior of cabbies in two cities where driving a taxi is especially perilous New York City where drivers have been the targets of frequent and

violent robberies and Belfast Northern Ireland a divided metropolis where drivers have been swept up in the region's sectarian violence. Based on in-depth ethnographic research, *Streetwise* lets drivers describe in their own words how they seek to determine the threat posed by each potential passenger. The driver's decisions about whom to trust are treated in conjunction with the sign management strategies of their prospective passengers: both genuine passengers who try to persuade drivers of their trustworthiness and the villains who mimic them. As the theory that guides this research suggests, drivers look for signs that correlate closely with trustworthiness but are difficult for an impostor to mimic. A smile, a business suit, or a skullcap alone do not reassure drivers, as any criminal could easily wear them. Only if attached to other signs—a middle-aged woman, a business address, or a synagogue—are they persuasive. Drivers are adept at deciphering deceitful signals, but trickery is occasionally undetectable, so they must adopt defensive strategies to minimize their exposure to harm. In Belfast, where drivers are locals and often have histories of paramilitary involvement, macho posturing often serves to deter would-be criminals, while New York cabbies, mostly immigrants who view themselves as outsiders, try simply to minimize the damage from attacks by appeasing robbers and carrying only small amounts of cash. For most people, erring in a trust decision leads to a broken heart or a few dollars lost. For cab drivers, such an error could mean losing their lives. The way drivers negotiate these high stakes offers us vivid insight into how to determine another person's trustworthiness. Written with clarity and color, *Streetwise* invites the reader to ride shotgun with cabbies as they grapple with a question of relevance to us all: which signs of trustworthiness can we really trust? A Volume in the Russell Sage Foundation Series on Trust.

North Carolina Reports. North Carolina. Supreme Court, 1939. Cases argued and determined in the Supreme Court of North Carolina. [Life](#), 1926. [Digital Carnavalesque](#). Hoi-Yi Katy Kan, 2020-01-21. This book challenges the framing of comedic acts as apolitical and it adopts a multimodal critical discourse approach to interrogate the performance of comedy as a form of power. It proposes using Bakhtin's carnivalesque as the analytic tool to distill for readers key differences between humour as banal and humour as critical and political in today's social media. Drawing from critical theory and cultural studies, this book takes an interdisciplinary approach in formulating a contemporary view of power that reflects social realities not only in the digital economy but also in a world that is increasingly authoritarian. With the proposition of newer theoretical lenses in this book, scholars and social scientists can then find a way to shift the conversation to uncover the evolving voices of existing and newer power holders in the shared digital space and to view current social realities as a continual project in unpacking and understanding the adaptive ways of the human spirit. **The Last Taxi Driver**. Lee Durkee, 2020-03-03. A Kirkus Best Book of 2020. A wild, funny, poetic fever dream that will change the way you think about America. George Saunders. Hailed by George Saunders as a true original, a wise and wildly talented writer, Lee Durkee takes readers on a high-stakes cab ride through an unforgettable shift. Meet Lou, a lapsed novelist, struggling Buddhist, and UFO fan who drives for a ramshackle taxi company that operates on the outskirts of a north Mississippi college town. With Uber moving into town and

his way of life vanishing his girlfriend moving out and his archenemy dispatcher suddenly returning to town on the lam Lou must finish his bedlam shift by aiding and abetting the host of criminal misfits haunting the back seat of his disintegrating Town Car Lou is forced to decide how much he can take as a driver and whether keeping his job is worth madness and heartbreak Shedding nuts and bolts The Last Taxi Driver careens through highways and back roads from Mississippi to Memphis as Lou becomes increasingly somnambulant and his fares increasingly eccentric Equal parts Bukowski and Portis Durkee s darkly comic novel is a feverish hilarious and gritty look at a forgotten America and a man at life s crossroads

Taxi Driver Introduction

In the digital age, access to information has become easier than ever before. The ability to download Taxi Driver has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Taxi Driver has opened up a world of possibilities. Downloading Taxi Driver provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Taxi Driver has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Taxi Driver. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Taxi Driver. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Taxi Driver, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Taxi Driver has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Taxi Driver Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Taxi Driver is one of the best book in our library for free trial. We provide copy of Taxi Driver in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Taxi Driver. Where to download Taxi Driver online for free? Are you looking for Taxi Driver PDF? This is definitely going to save you time and cash in something you should think about.
