The Of Joel

Walter K. Price

The Of Joel:

The Prophet Joel and the Day of the Lord Walter K. Price, 1976 **Joel's Use of Scripture And the Scripture's Use of Joel** John Strazicich, 2007 This work focuses on the appropriation and resignification of scripture in Joel and its NT Nachleben where Israel's literature functions as an authoritative medium of refraction The purpose is to recover the canon's unrecorded hermeneutics at the intersection of both diachronic and synchronic textual surfaces **Joel's Use of Scripture and the Scripture's Use of Joel** John Strazicich, 2007-04-30 The methodological approach employed in this research utilizes the hermeneutics of comparative midrash combined with aspects of Bakhtinian dialogism and intertextuality The purpose of this enterprise is to discern the function of scripture in Joel and its New Testament Nachleben The terms appropriation and resignification are descriptive of the process through which an antecedent text is transformed by its displacement condensation and recontextualization These methodologies assist in giving an account of the intertextual dialogism involved in a text's unrecorded hermeneutics The scope of the work looks at the use of scriptural traditions within the book of Joel during the Second Temple period There is an introduction to the hermeneutical methods employed followed by a general introduction to the book of Joel in chapter one Chapters two and three concern the function of scripture in Joel Finally the last chapter deals with Joel's New Testament Nachleben Each chapter has an introduction and conclusion This work does not eschew the importance of diachronic issues The diachronic method pays attention to the context of an antecedent's voice while the synchronic methodological approach pays attention to the function and purpose in which the receptor text resignifies the appropriated motifs and allusions The diachronic becomes fused with the synchronic in the process of an allusion's recontextualization This study in a heuristic manner focuses on the way that each allusion is appropriated and resignified for the needs of both Joel's community and those of the later NT in order to understand the function of canonical hermeneutics [The Book of Joel](#) Elie Assis, 2013-04-11 Prophetic sayings are generally a reaction to immediate realities and therefore attempts to understand prophetic literature without the benefit of the prophet's historical milieu are limited or inaccurate Contrary to the prevailing opinion that Joel is post-exilic the book is located within the exilic period recognising the lack of any rebuke consistent with a people experiencing deep despair The Book of Joel places great emphasis on the motif of the divine presence residing in the midst of Israel and it is asserted that the prophet's main purpose was to bring the people to renew their connection with the Lord after the destruction of the Temple which though physically ruined had not lost its religious significance A literary and rhetorical analysis demonstrates how the prophet sought to influence his audience Literary devices and rhetorical tools are investigated and their relevance and contribution to the book's meanings are explored One central feature of the book is its focus on a detailed discussion of the position and purpose of the locust plague employing recent literary approaches [The Holy Bible. The Minor Prophets. In the Authorized Version, with Notes and Introductions](#) Christopher Wordsworth, 2025-12-01 Reprint of the original first published in 1875 The Antigonos

publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Holy Bible Chr. Wordsworth, 2024-05-08 Reprint of the original first published in 1875

Book of Joel, Book II Joel Lee Russell, 1999 The true life story of the adventures of Joel from the frozen wasteland of Northern Ohio to the sweltering battlefields of South Vietnam Joel takes you into the battles with him during the Tet Offensive Read about the radical transformation of a dope smoking weirdo into a man of destiny Excellent reading Patrick Russell A great book of life taking us on a roller coaster ride of the Spirit Many laughs and many tears as you follow through the humor and pain Very strong testimony that will win souls Buster Curtsinger

A Commentary on the Books of Old and New Testament Dodd, 1767

Joel Christopher R. Seitz, 2016

The book of Joel is held to be one of the latest prophetic witnesses it cites other books of the book of the Twelve prophets with a density that distinguishes it from its neighbours The concept of the Day of the LORD which runs throughout the Minor Prophets as a whole reaches its zenith in Joel and its co mingling of ecological and military metaphors advances Hosea on the former and anticipates later texts on the latter In this volume within T T Clark s International Theological Commentary Series Christopher Seitz starts from a foundation of historical critical methodology to provide an account of Joel s place and purpose within the book of the Twelve prophets as a whole Seitz examines the theology and background of Joel and shows how Joel s theological function can provide a major hermeneutical key to the interpretation of the wider collection and teases out the precise character of that role Bloomsbury Publishing
