favoured by perusing a remark that when the times and necessities of the world call for a Man that individual is found Thus at the French Revolution which the reader will be pleased to have introduced so early when it was requisite to administer a corrective dose to the nation Robespierre was found a most foul and nauseous dose indeed and swallowed eagerly by the patient greatly to the latter s ultimate advantage thus when it became necessary to kick John Bull out of America Mr Washington stepped forward and performed that job to satisfaction thus when the Earl of Aldborough was unwell Professor Holloway appeared with his pills and cured his lordship as per advertisement Numberless instances might be adduced to show that when a nation is in great want the relief is at hand just as in the Pantomime that microcosm where when CLOWN wants anything a warming pan a pump handle a goose or a lady s tippet a fellow comes sauntering out from behind the side scenes with the very article in question
