The analysis section of each chapter outlines and describes musical forms and other types of compositional organization, including parody, technique, mirror structures, and motto repetitions, as well as salient compositional characteristics that directly relate and contribute to the work's artistic stature. Numerous charts and musical examples illustrate the discussions. The discussion of performance practices includes primary source quotations about a wide range of topics, from performing forces, tempo, and phrasing of each work to specific issues such as tactus, text underlay, *musica ficta*, metric accentuation, and ornamentation.
