Luther League Review ,1904 The Book of Forgiving Desmond Tutu,Mpho Tutu,2014-03-18 Archbishop Desmond Tutu Nobel Peace Prize winner Chair of The Elders and Chair of South Africa s Truth and Reconciliation Commission along with his daughter the Reverend Mpho Tutu offer a manual on the art of forgiveness helping us to realize that we are all capable of healing and transformation Tutu s role as the Chair of the Truth and Reconciliation Commission taught him much about forgiveness If you asked anyone what they thought was going to happen to South Africa after apartheid almost universally it was predicted that the country would be devastated by a comprehensive bloodbath Yet instead of revenge and retribution this new nation chose to tread the difficult path of confession forgiveness and reconciliation Each of us has a deep need to forgive and to be forgiven After much reflection on the process of forgiveness Tutu has seen that there are four important steps to healing Admitting the wrong and acknowledging the harm Telling one s story and witnessing the anguish Asking for forgiveness and granting forgiveness and renewing or releasing the relationship Forgiveness is hard work

Sometimes it even feels like an impossible task But it is only through walking this fourfold path that Tutu says we can free ourselves of the endless and unyielding cycle of pain and retribution The Book of Forgiving is both a touchstone and a tool offering Tutu s wise advice and showing the way to experience forgiveness Ultimately forgiving is the only means we have to heal ourselves and our aching world
